Dear Students,

Congratulations on being accepted to the Michigan State University School of Nursing.

The Medical Store has supplied quality equipment to allied health professionals for over twenty years. Currently, The Medical Store equips over one hundred school programs across the country. This allows us to offer excellent group pricing.

The nursing students two semesters ahead of you are working with our company to sell required equipment as a class fundraiser. Enclosed is information and pricing on the medical equipment.* We hope you will consider ordering through us.

HOW TO ORDER YOUR EQUIPMENT:

2. Click the "Schools & Organizations" tab at the top. Enter School Code “msun2017”. This will give you access to your custom equipment package and is where you can select what orientation date you need your equipment delivered to.
3. After you have made your selections click "Add to Cart" at the bottom of the screen.
4. Click "Show Cart".
5. To have your order delivered to school for FREE: Select “Deliver to School” as your shipping option. Students attending the April 20th orientation must place orders by April 1st. Students attending the May 11th orientation must place orders by April 29th.
6. To have your order shipped directly to you: Select a shipping option at checkout. (UPS shipping rates will apply.) Your order will be shipped and delivered to your ship-to address in 5-10 business days.
7. If paying by check you can print an order form from the same place and mail it in with your check to: The Medical Store 108 N. Dwyer Ave, Arlington Heights, IL 60005.

Orders placed by April 1st will be delivered and ready for pick up at the April 20th orientation. Orders place by April 29th will be delivered and ready for pick up at the May 11th orientation.

Again, congratulations on your acceptance, and we wish you much success in your future career.

Sincerely,

Kevin Pancratz
THE MEDICAL STORE

*Students are not required to buy from The Medical Store / Nursing Student Association medical equipment sale.
