Michigan State University College of Nursing seeks applications for a forward thinking Certified Registered Nurse Anesthetist (CRNA) who has experience or an interest in anesthesia education and clinical practice to join our growing program. This is an annual year (12 month), fixed term faculty position. Position responsibilities include opportunities for teaching, curriculum development, scholarship and clinical practice.

In addition to providing didactic and clinical instruction to nurse anesthesia students, position responsibilities include but are not limited to assisting in the development and implementation of program curriculum; participating in college and program strategic planning and evaluation; representing the program at local, state and national meetings; participating in the development, implementation, evaluation and revision of program policies and procedures; fulfilling the performance indicators for the College of Nursing and Michigan State University as per faculty rank and supporting university-wide initiatives and strategic goals by participation in university committees, task forces, and other venues as assigned or desired.

**Position Requirements:**
- Doctorate in Nursing or related field
- Active certification/recertification as a Certified Registered Nurse Anesthetist (CRNA)
- Two years of clinical experience as a CRNA
- Knowledge of CRNA practice and professional issues
- Current specialty licensure (CRNA) without probationary status in the State of Michigan or eligible to obtain a Michigan license
- Higher education teaching experience is desired

MSU is committed to achieving excellence through cultural diversity. The university actively encourages applications and/or nominations of women, persons of color, veterans and persons with disabilities.

Michigan State University is a land-grant university with a major focus on community engagement in the United States and throughout the world. The College of Nursing at Michigan State University is a growing community of scholars, teachers and practitioners with a full array of academic programs at the undergraduate, master’s, and PhD levels. There are excellent academic and student support operations and an outstanding Center for Nursing Research that provides support in all aspects of research and scholarly roles.

The College is located in mid-Michigan in East Lansing on the Michigan State University campus. The East Lansing community offers a high quality of life and is close to recreational areas, sporting events and artistic performances and exhibits and a vibrant university life.

To apply please access the University Human Resources website at www.careers.msu.edu. Address letter of interest, curriculum vitae and three references to: Dr. Anne Thomas, Associate Dean for Academic Affairs.

*Salary and academic rank commensurate with credentials and experience. Review of applications will begin immediately and continue until the position is filled.*
